Periscope launch HUMAWACA

Periscope heralded spring on Tuesday night with a preview of new season leather accessories by Argentinean label Humawaca. Showcasing innovative styles in a myriad of colours Perth locals discovered that their southern hemisphere neighbours have a strong eye for design.

Guests, who sipped on Fraser Gallop Wines, included Periscope boutique director *Shantha Cokis*, nougat queen *Rochelle Adonis*, Humawaca agent *Fiona Kalaf*, jeweller *Sophie Kyron*, PR mavens *Carolyn Hamilton-Ducroz* and *Claire Metcalf*, Wesfarmers' *Linda Kenyon* and AICD's *Suzanne Ardagh*.

A fabulous goodie bag of gorgeous treats, including Rochelle Adonis nougat, was a sweet start to spring.
